Cybersecurity Risk Compliance Waiver

This Cybersecurity Risk Compliance Waiver (the "Waiver") is incorporated into the Managed Services Agreement dated July 1, 2026, and Cybersecurity Customer Service Order dated September 8, 2026 (the "Agreement"), entered into between Perkins County, Nebraska, hereinafter referred to as "Customer," and Hamilton Information Systems, Inc., hereinafter referred to as "Hamilton." Collectively, Customer and Hamilton are referred to as the "Parties." This Waiver documents Customer's informed decision to deviate from Hamilton's recommendation that Customer implement certain network and IT support services (collectively, the "Services"). The effective date of the Waiver is September 23, 2026, and the Waiver will stay in effect so long as the Agreement, or successor Agreement, is in effect.

WHEREAS; in the course of Hamilton providing the Services pursuant to the Agreement, Hamilton has advised Customer to utilize certain Services in Customer's network.

WHEREAS; Customer, having been fully apprised of Hamilton's advice to use certain Services and the potential risks of not following recommended Services, Customer requests that Hamilton provide Services under the Agreement that are contrary to the advice that Hamilton has provided to Customer (the "Customer Requested Services").

WHEREAS; Customer requests that Hamilton perform the Customer Requested Services, subject to the terms of the Agreement and this Waiver.

WHEREAS; Hamilton agrees to perform the Customer Requested Services, subject to the terms of the Agreement and this Waiver.

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Section 1. Customer's Acknowledgment. Customer acknowledges that Hamilton has designed Services intended to enhance security and mitigate risks. Customer understands the significance of the recommended Services and the potential risks associated with not implementing Services as recommended by Hamilton. Those risks include, but are not limited to, increased cybersecurity threats and risks, financial losses, data breaches, reputational damage, and legal consequences. Hamilton has provided Customer with comprehensive information regarding the recommended Services, and Hamilton has provided sufficient information regarding that advice to Customer's complete satisfaction. Specifically, Hamilton has recommended that Customer not have administrative access to the Cybersecurity Services provided to Customer pursuant to the Agreement.

Section 2. Customer's Request.

Understanding Hamilton's recommendations, Customer requests alternate Services, or no Services, specifically that a Perkins County employee be given administrative access to the Cybersecurity Services.

Section 3. Effect of Customer's Request. Customer acknowledges and accepts that by not implementing the recommended Services, Customer assumes all associated risks and potential consequences associated with that decision. Hamilton will not be held liable for any cybersecurity incidents, data breaches, financial losses, or other negative outcomes resulting from the Customer's decision to forego the recommended cybersecurity controls. Customer releases Hamilton from any and all liability, claims, demands, actions, and causes of action arising from or in any way related to Customer's decision not to implement the recommended cybersecurity controls. Customer agrees to indemnify and hold harmless Hamilton, its officers, employees, agents, and representatives from any claims, liabilities, losses, damages, costs, or expenses arising from Customer's choice not to implement the recommended Services. Customer acknowledges that Customer alone is responsible for all costs correcting and/or mitigating any issues that arise from implementation of the Customer Requested Services.

Section 4. Hamilton's Acceptance. Based on all assurances and terms conditions outlined in this Waiver, Hamilton agrees to implement the Customer Requested Services.

IN WITNESS WHEREOF, the undersigned Parties have caused their authorized representatives to execute and deliver this Waiver, effective as of the date and year first written above.
